Designing Your Brick

- Don't try to fill in every space. Spaces between words and punctuation count, so include them in completing the squares on your three lines.
- Any combination of names, words, class year may be used. More than one name may go on a brick. We reserve the right to edit the text for appropriateness.
- We will proof the installer's template of your text, and send you a receipt for your purchase.

In order to remain cost effective, bricks are engraved in batches, not on immediate receipt of orders.

To order additional bricks online, make a donation, or stay abreast to all Grady High School and GHS Foundation information, visit the Foundation Web site at www.gradyhshfoundation.org.
